

Christmas in the Barn

November 27-December 3
Potomac, IL

Thank you for your consideration as a sponsor for Christmas in the Barn 2022, benefitting Gateway Family Services of Illinois and Hooves of Hope. This event raises funds to care for the equines who are a vital part of both non-profit organizations.

Your partnership, along with other businesses and donors, is critical as we work to impact the lives of countless individuals and families across Central Illinois through the assistance of working with our equines. Did you know it costs approximately \$30,000 a year to care for our equines?

Your generous sponsorship would provide countless opportunities for individuals to connect with our herd and find healing!

In addition to knowing that you are changing the lives of individuals all across Central Illinois, your sponsorship also includes many other benefits. We have included those benefits on the next page. If you have any questions or do not see what you are looking for, please email us at info@gatewayfamilyservices.org
